Leonard Armbruster

Honorary Lifetime Member of
VDD-Group North America

VDD Breeder - vom Breitenfeld

Trainer, Judge, and a Recognized Teacher
of Training Techniques

In 1957, he began work to advance his thoughts. There must be a middle ground between the desires of breeders who wanted to produce the best ability dog, that at times was hard to handle, and the handler and owner who wanted an easily handled good ability dog. This brought on the idea of the training of the "HALT." He was going to use this training to evaluate both the effectiveness of breeding and handler control. The obedience training was thought to show handling ability, cooperation of the dog, and good hunting ability all at the same time. To say that Len was successful is an understatement! In 1970, the German Versatile Hunting Association established the Armbruster Halt Award to be given to a dog in an association test that would demonstrate the "HALT" by stopping on command at the sight of a flushed hare, then come up on command and successfully track the hare. "HALTZABZEICHEN" is the badge worn with honor in Germany by those trainers who have mastered this skill.

Another important contribution by Len was the excellent training series he compiled for Group North America. He donated both his time and expertise to develop a very easily read and implemented training series that goes into detail on the development of a versatile trained Deutsch-Drahthaar.

He passed away into the Eternal Hunting Grounds on March 8, 1979, shortly after his 79th birthday. Like a soldier, a good versatile hunting dog man never dies; he only fades away. The honored name of Leonard Armbruster is written in gold letters in the memoirs of the German Versatile Hunting Dog Association. He was a good friend and comrade, and he will never be forgotten.

JAGD VORBEI
The hunt is over...

Welcome To The International Armbruster Zuchtprüfung

Greetings!

Welcome to the big show: the Armbruster.

On behalf of the organizers, judges, executive board members, and all the members of GNA, I wish you the best of luck at this year's Armbruster.

You worked hard and jumped through the hoops of qualifying and entering your dog, you spent countless hours training and preparing for this test, and now it is time to present the results of that effort.

The Armbruster is more than just a test. You will discover that while in Demopolis you will meet fellow Drahthaar owners both new and old. You will make new acquaintances, some which will last a lifetime. You will meet folks who want to see the results of your training, who want to meet you, and who want to initiate you into a membership that consists of handlers who have run dogs in previous Armbruster's going all the way back to the first one held in 2003.

I have no doubt, that regardless of the placement of your dog, you will go back to your homes hunt your dog, and more than anything else cherish the memories of this event. The organizing committee has worked hard to make this a memorable event and if it is like previous Armbruster's it will prove to be memorable.

Again, good luck to you and your Drahthaar as we celebrate your efforts to attend and run in this year's Armbruster.

Lee Root
GNA Director of Testing

Greetings and Welcome from the 2023 Armbruster Test Director

All handlers, judges and guests, welcome to Demopolis, Alabama, deep in the Heart of Dixie. There's nothing quite like the Armbruster. I've heard it called many things over the years - the Drahthaar Super Bowl, The Show, Best of the Best, yes it's all those things and more.

We gather annually to celebrate and evaluate the best of what this year's crop of Drahthaars has to offer the gene pool, because ultimately that's what our breed tests and breedshows are about - which animals are most suitable for breeding; but to me the Armbruster is much more than a dog test.

It's really a hard thing to put your finger on. Sure, it's an HZP and breedshow, and there's the competition side of it, but the Armbruster is more about the intangibles to me - the camaraderie, seeing old friends and making new ones. It's the cheering on of our fellow handlers; celebrating successes and mutually feeling the defeats. The back slaps and hand shakes for a job well done and the condolences when the dog just won't pick up that dang rabbit and all the "he's never done that before!" It's friends enjoying reliving the events of the day over a cool refreshment. Finally, it's the reaping of accolades on the winner and the week long celebration of our wonderful breed of dog.

Every Test Director before me has been quick to praise his team and I'm certainly no different. This year's contingent of volunteers made this event happen. Everyone was given their marching orders, I made sure they had what they needed, and then I just got out of their way. The credit for the success of this Armbruster goes to them.

Special thanks to Forever Wild and Brae Buckner and her staff. They really went out of their way to make our event happen this year. Every request we made was met with "Yes we can do that," and "no problem." They really were a delight to work with.

It's been an honor and a privilege to have served as the 2023 Armbruster Test Director.

Yes indeed, there's nothing quite like the Armbruster.

Good Luck and Waidmannsheil,

Mike Fortner
Prüfungsleiter Armbruster 2023

Welcome from the Director of VDD

This year we welcome the DD family to the 21st. International Armbruster Zuchtprüfung in Demopolis, Alabama. Once again, I am very sad that I cannot join this important event in person. I would like to thank the South East Hunting Chapter of VDD-GNA, the chairman, the board and the test director and all the helpers for organizing and conducting this test which is so important for the VDD-GNA and VDD E.V.

I am sure that the organizing group did everything possible to provide the appropriate framework for this important test, also by providing the best field and water areas. Special thanks to Barnett Lawley and Brae Buckner for letting us use the Forever Wild Field trail area for the Armbruster 2023. I would like to extend my sincere thanks to all handlers for preparing and presenting their dogs for this test and the judges for making this test possible.

I witnessed 3 Armbruster events in the past and had the opportunity to experience and judge a very well-organized testing process held at these events. I saw the high quality of dogs being brought through the testing system in Armbruster and other chapter tests. VDD-GNA continues to produce and test high quality of Deutsch-Drahthaars through a well-established German testing system.

The cooperation between GNA and the VDD in Germany continues to be exceptional as this is very important for the future of our beloved DD breed. An international event such as the Armbruster provides the opportunity to meet old friends, make new friendships that would last a life long and provides for many interesting conversations.

Our passion for this breed and testing can sometimes lead to unnecessary competition and animosity between likeminded people with the same objective. We are a small and dedicated group that should strive to help each other, support our common cause, and build camaraderie with a common purpose. I hear and see lot of negativity through social media, I receive many complaints against other members and disagreements between members of the DD group. We should respect and treat each other with the same respect we expect from others. I would like to remind you that DDs are very special, and they are not hunting tools that are disrespected or auctioned at a hunting event. We should all work with each other to protect our beloved DDs, continue the hunting legacy of these special hunting companions so many future generations will continue to enjoy this successful breed.

I wish the dog handlers good luck in their performance and hope for success, wish the judges have a good eye to do justice for the dogs' work and give the viewers an exciting and eventful Armbruster.

Best Regards,

Christoph

Welcome to the 2023 International Armbruster in Demopolis, Alabama!

“Sweet home, Alabama
Where the skies are so blue
Sweet home, Alabama (oh my baby)
Lord, I’m comin’ home to you (here I come, Alabama)”
—Sweet Home Alabama by Lynyrd Skynyrd

Welcome to Alabama! Welcome to the big event! Group North America’s 21st International Armbruster! It’s a performance test, and breed show, and a party all rolled into one! We will see amazing dogs and awesome dog work, well-prepared handlers, and friends, both old and new. It promises to be a very special event.

The Armbruster would not be possible without the combined effort of a dedicated team. Mike Fortner as Test Director, and Jeff May as Test Coordinator, deserve huge thanks for obtaining excellent test grounds and event facilities and for their devoting countless hours and sleepless nights organizing the event. I also thank Mike Schell, and his assistants, Jeannie and Elizabeth for their work gathering all the test entries and organizing the massive paperwork involved. Thanks to the Southeast Hunter Chapter for hosting the event, and to its volunteers for their work in putting all the pieces together. Thanks to the chapters, members, and others who provided funding and merchandise for the awesome prize table and auction. I thank the judges, field marshals, and helpers who were happy to donate their valuable time to work at the Armbruster. Thanks to Purina, who has been a major sponsor of our big events for many years. And a warm welcome and big “thank you” to our new major sponsor onXmaps, Inc.

We warmly welcome the judges from Germany, including VDD Vice Chairman Otto Tiemann, and VDD Deputy Breed Warden Birgit Dufrenne. Our friends from Germany will help make this a truly international event.

I welcome the handlers who will be traveling from near and far with their beloved dogs. I welcome the dogs that are about to perform! They are the reason we are doing this.

We will all gather in Alabama to celebrate our beloved Deutsch-Drahthaar breed and strengthen the bonds between those who are dedicated to these amazing dogs. Safe travels and best of luck to all the people and dogs who attend!

Here we come Alabama!

Mike Seckar,
Chairman of VDD-GNA

Handler Information

Main Event Center

Demopolis Civic Center, 501 North Commissioners AVE, Demopolis, Alabama.
All events on Wednesday and Saturday will take place here.

Registration

Registration begins at 12:00 PM and ends at 4:00 PM on Wednesday, bring all your documents and your dog inside with you. After checking in and your paperwork approved, your dog will be photographed and the Breedshow Judges that are present will give your dog a final look. Opening ceremonies, social hour and dinner will begin at 6:00PM.

Veterinary

Demopolis Animal Clinic • 334-289-1839
1624 US Hwy 80 • Demopolis, AL

There are no local emergency or after hours veterinary services available.

Meals

Dinner on Wednesday will be at the Demopolis Civic Center and is sponsored by the SEHC. Lunch will be provided to all Judges and Staff at the testing site both Thursday and Friday. Guests will be able to purchase lunch both days at the Breedshow Pavilion. While food and water will be available at the pavilion, handlers and guests should plan to be self sufficient, especially with water. Dinner Thursday and Friday will be on your own. There are multiple restaurants in town near the hotels but the Red Barn is always a winner. Saturday night banquet will be at the Demopolis Civic Center and entrees are available for purchase from the GNA Web store.

OnX

OnX is a sponsor for this year’s Armbruster. Judges and handlers will be given a free OnX membership card in your welcome bags and by email. Please download the app to your phones, as OnX way points will be used to assist you in navigating to the various testing sites. OnX representative Ben Brettigen will be on site at registration to assist you with the app. If you are unable to use the app or just lost, plan to meet at the front gate of the testing grounds, Barnett Lawley Forever Wild, at 0700 or as soon as possible after. A guide or directions will be given to you.

Test Information

Testing Grounds

All events Thursday and Friday will take place at the Barnett Lawley Forever Wild Field Trial Area in Greensboro, Alabama. Just put this in your GPS and it will take you right to the front gate. The Breedshow pavilion will be directly in front of you a few hundred meters further on; there will be signs. Your GPS may call it the State Lands Division Cattle Ranch. Your OnX way point "Breedshow Pavilion" will also take you there.

Test Organization

The test will be conducted in accordance with the most current edition of the JGHV Regulations for Association Breed Tests (VZPO).

Judging group assignments and test schedule will be presented to each handler at registration.

Field testing for each judging group will be conducted in a single day, either Thursday or Friday. Water testing and Breed show evaluations will both be conducted on the opposite day; i.e. Breedshow and Water work will be on the same day.

On the day you are doing your water work and Breedshow, you will move back and forth between the two. If you do your water work first, take care to dry your dog well prior to the Breedshow. Please be sure to refer to, and pay close attention to, the running order handout you received at registration for what day you are running in each subject, and whether you are at the water or breed show in the AM or PM. For details on the test subjects and the scoring system, please consult the JGHV Regulations for Association Breed Tests (VZPO).

Eligibility

The owner and handler of an entered dog must be a member of a VDD group.

Required Documentation

The Ahnentafel and an up-to-date rabies vaccination certificate must be presented to the Breed Show Director, Mike Schell at registration, along with original documentation of HN, HD, OCD, and ED (optional) evaluations, and all original test records from previous tests.

Females in Heat

Handlers of females in heat must notify the your Senior Judge for the day and Test Director, Mike Fortner 423-483-4496, no later than 6:00 a.m. on the day of the test.

Test Information (Cont.)

Guns/Shooters

Handlers are not required to bring their own shotguns but it is recommended. Blanks will be used and provided for field work. Only break-action, 12-gauge shotguns will be permitted in accordance with VDD-GNA SOP. Shooting at the water work will involve live ammunition and will be done by Judges only. Shooting/safety glasses are strongly recommended for everyone at all times.

Courtesy

Be considerate of the handlers and judges. All dogs, including those under evaluation, as well as spectators' dogs, must be on lead unless instructed otherwise by a judge. Dogs with the habit of barking when unattended should be accompanied or removed from earshot by the handler/owner while other dogs are under evaluation. If your dog has to clean out, please ask the Test Director or Senior Judge where this may be done.

Spectators

Spectators are welcome. The gallery must remain at least 50 meters behind the handler and judges at all times. Handlers generally welcome questions and interactions with their dogs, but please ask the handler first, before approaching any dog, whether or not the dog is being tested. Lastly, we are all representatives of VDD GNA and guests of Barnett Lawley Forever Wild, do not damage crops, walk in cultivated areas or drive off the roads. Parking alongside the road is permissible.

Game

Handlers are encouraged to bring their own game for the feather and fur drags. Game MUST be in very good condition and cannot be unsightly, wet or smelly. The Judges reserve the right to refuse any game. Ducks are recommended for feather drags. If you cannot provide your own game, clean, fresh game can be provided for you but you must notify the Test Director. Quail will be released for pointing evaluation.

If you are traveling and have no way of preserving your game there will be game available on request only!!! You will need to reach out to Jeff May 251-680-8546 by October 1st. Rabbits and ducks are \$20 each and must be paid in advance.

Protests

Protests must be addressed in accordance with the VZPO, Appendix II. For the Armbruster protests must be submitted in writing to the Test Director within a half an hour of you completing your final test subject.

Test Information (Cont.)

Test Site

Handlers please use your OnX waypoints to find your field, water or Breedshow groups. If you are unable or unfamiliar with OnX, go to the front gate of the test site and you will be given directions or guided to your site.

Food/Beverages

Lunches and breaks will be up to the discretion of the Senior Judge in each group. Handlers and spectators are encouraged to pack lunch items, as well as snacks and beverages. Lunch and drinks will be provided for judges, apprentices, field marshals and staff. Guests will be able to purchase food at the Breedshow Pavilion.

Clothing and Gear

Please check the weather forecast in advance. Normal October weather for Alabama will see lows in the 60's and highs in the 80's. While rain is always possible, it is unlikely. Handlers should bring and carry plenty of water, and have a means to cool or wet down their dogs. Dogs will quickly overheat if not well acclimated.

Test Sequence

The exact sequence of the test events will be based solely on the preference of the judging teams and the VZPO. The test each morning will begin with a brief meeting with the judging team and the Handlers, during which the Senior Judge will announce and verify the running order and the planned schedule for the day. The Senior Judge will outline the expectations for the dog's work and you will have the opportunity to ask questions.

Field testing for each judging group will be conducted in a single day. Water testing and Breed show evaluations will be conducted together, on the other day - Breedshow and Water work will be on the same day.

On the day you are doing your water work and Breedshow, you will move back and forth between the two. If you do your water work first, take care to dry your dog well prior to the Breedshow. Please be sure to refer to, and pay close attention to, the running order handout you received at registration for what day you are running in each subject, and whether you are at the water or breed show in the AM or PM. For details on the test subjects and the scoring system, please consult the JGHV Regulations for Association Breed Tests (VZPO).

Test Director: Mike Fortner 423-483-4496

Test Coordinator: Jeff May 251-680-8546

Breed Show Director: Mike Schell: 217-357-4186

Schedule of Events

Wednesday, October 25th

All events at the Demopolis Civic Center,
501 North Commissioners AVE, Demopolis, Alabama.

- 12:00pm - 4:00pm: Handler and Judge Registration
- 4:30pm - 5:30pm: Judge and Apprentice Judge Meeting
- 4:30pm: Field Marshal Meeting
- 6:00pm: Opening Ceremony, Dinner, & Social hour
- Catered Barbecue Meals can be purchased at www.vdd-gna.org

Thursday, October 26th

All events will take place at Barnett Lawley Forever Wild Field Trial Area

- 7:00 - Meet at your designated testing spots.
- Use your OnX waypoints.
- If you are lost or can not use OnX, meet at the front gate of Forever Wild
- 7:30am: Test begins
- Dinner on your own.

Friday, October 27th

All events will take place at Barnett Lawley Forever Wild Field Trial Area

- 7:00 - Meet at your designated testing spots.
- Use your OnX waypoints.
- If you are lost or can not use OnX, meet at the front gate of Forever Wild
- 7:30am: Test begins
- Dinner on your own.

Saturday, October 28th

All events at the Demopolis Civic Center,
501 North Commissioners AVE, Demopolis, Alabama.

- 9:00am - 10:30am: Parade of Dogs and announcement of the Ranking List.
- 11:00am - 12:30pm: Lunch Break. Lunch is your own!
- 1:00pm - 4:00pm: Judge and Apprentice Judge CE Seminar
- 6:00pm: Closing Ceremony and Awards Banquet

Greetings and Welcome from the VDD GNA Breed Warden

Greetings to all of the organizers, handlers, judges, program producers, PAPP data loaders, and guests at the 2023 Demopolis, Alabama Armbruster! Your help is very much appreciated. For every handler, I wish your dog's best behavior on the day of the Armbruster.

The abundance of volunteer work that has been put into this year's Armbruster is incredible. Your efforts are notable and necessary. The many functions that must be attended to for an Armbruster to be successful have been the work of many volunteers. Mike Fortner, test director, Jeff May, test coordinator, have been instrumental in implementing and organizing those volunteer efforts as well as putting in countless hours on their own. We thank everyone who has helped for their work. I must note and thank Doug Peake for organizing and directing the prize table for this year's Armbruster prize table; I'm always amazed at the high quality of the prize table awards, and thank you to those who have donated.

This year we are grateful to have VDD Executive Board Vice Head Breed Warden Birgit Dufrenne judging in the breed show and VDD Executive Board Vice Chairman Otto Tiemann judging at the performance portion. Your support is very important for the continued development of the VDD in the United States. It is a huge effort to attend the Armbruster from Germany, and we are very thankful. We hope that you enjoy this year's Armbruster and that you will come back for subsequent years' Armbrusters. It is notable for GNA that we have such an abundance of support that two of the executive board members are judging at this year's Armbruster.

This is the 7th year that my team (Jeanne Schell, Elizabeth Pearson) and I are getting the entries for the breed show portion of the Armbruster ready. I could not do the job of getting this size of a breed show readied without the help of Jeanne Schell and Elizabeth Pearson. Jeannie Steffen once again has processed the HN's for the dogs entered in this year's Armbruster in her efficient manner. Thank you Jeannie Steffen. Many thanks to Dr. Martin Coffman and Dr. Rebecca Cuperus who have been busy getting the x-rays and forms to and from Dr. Schunk. Your work at getting the x-rays and forms to and from Germany and back to the dog owners is another example of what it takes to have a successful Armbruster event.

The Armbruster is special because the successful dogs gain breed ability in this one weekend. The Armbruster is also exceptional in that it and the Hegewald are the only tests in the VDD that are competitive and there is a declared winner. The successful Armbruster dogs become the future mothers and fathers of the

GNA breeding base in one weekend. Because the Armbruster moves many miles from one year to the next the majority of the competing dogs' mother lines and kennels also changes. Those of you who also travel to the Armbruster get to see a snapshot of how well the Deutsch Drahthaar is doing in Group North America.

The efforts of the judges who travel from hither and yon are always appreciated. I must thank the breed judges, Nate Bailey, Birgit Dufrenne, Rhonda Feazel, Roger Green, Larry Reeves, and Elizabeth Pearson, for taking time from their busy schedules to attend and judge this year's Armbruster breed shows.

Pam Stanfield, Cortney Schaefer, and Business Manager Faith Wood have put the program together which is a very nice keepsake for everyone involved. Thank you Pam, Cortney, and Faith.

A number of years ago it was obvious that holding the Armbruster was going to be expensive for GNA. The income from the Armbruster would not be able to pay for the Armbruster. Ron Figler had the idea of starting the Armbruster gun raffle. Ron did the leg work for acquiring the Armbruster gun and started the auction. Now the Armbruster raffle is tradition. Needless to say the Armbruster gun raffle has been very successful in helping GNA pay for the Armbruster. Thank you, Ron.

While at the 50 year celebration in Colorado it was obvious that Chairman Mike Seckar was an important part of overseeing everything that needed done at that Armbruster. Mike is an important part of every Armbruster and we are lucky to have his legal experience, kind persuasiveness and manner helping everyone with every facet of GNA's annual Armbruster.

The Armbruster is a mammoth undertaking. I am certain I have overlooked some, so I thank anyone and everyone involved for their time, financial commitments, and efforts.

Best Regards and Waidmannsheil,

Mike Schell
VDD-GNA Breed Warden

Message from the VDD Head Breed Warden

Ladies and Gentlemen,
Dear DD-Friends,

greetings to all participants of the 21st International Armbruster Autumn Breeding Test and participants as well as your guests warmly. Before participating in the Armbruster Autumn Breeding Test, the dogs have already passed a number of tests and proved that they can get along with their handlers harmonize as a team.

The International Armbruster Autumn Breeding Test is an important figurehead for DD breeding.

The exam is an important part of the jigsaw puzzle Performance breeding in the association Deutsch-Drahthaar e.V.

I would like to thank the head of the examination, Michael Fortner and his team to conducting this important examination.

I wish the dog handlers good luck in their search , the judges a good eye to be able to judge the performance fairly, as well as all participants and guests happy hours, pleasant conversations and eventful days.

Good Hunting
Werner Elflein
Head Breed Warden VDD e.V.

**GOOD LUCK TO ALL THE DOGS
AND HANDLERS AT THE 2023
INTERNATIONAL ARMBRUSTER!**

**CHAIRMAN: JIM HALLERAN
VICE CHAIRMAN: TOM HINDERER
BUSINESS MANAGER: LONDON MILLER
BREED WARDEN: ALINDA BUCKINGHAM SABOURIN**

For 52 years, GNA members have relied on the strengths, abilities and talents of the beloved
Deutsch-Drahthaar to

- ~ Locate and point upland birds
- ~ Make incredible retrieves of winged waterfowl over challenging distances and seemingly impenetrable cover
- ~ Dispatch furred game
- ~ Pursue and track wounded big game

The Atlantic Chapter's 252 members from 13 states celebrate this versatility as they hunt

- ~ Waterfowl along the salt marshes of the Atlantic Coast Flyway and the Chesapeake Bay
- ~ Grouse and woodcock in the Great North Woods of Maine, New Hampshire and Vermont
- ~ With late season retrieves in the frigid waters of Lake Ontario, the Finger Lakes and the treacherous fast-flowing Susquehanna River
- ~ Alongside a steadfast partner on treks through the Berkshire, Green, White, Adirondack, Catskill, Pocono, Allegany and Great Smokey Mountains and Ranges

Thank you handlers for preparing your Deutsch-Drahthaars and participating in the 2023 Armbruster. A special thanks to the Southeast Hunter's Chapter organizers, judges and field marshals.

vom Himmelbogen est. 1983

www.drahthaarhuntingdogs.com Ackworth, IA

Congratulations Friends Handlers and Breeders 2023 Armbruster

vom Himmelbogen Kennel

40 years breeding. Ackworth, IA

Currently a fine grand daughter of a previous import.

A recipient of the Armbruster halt award.

25th scoring at 2022 Hegewald. All 71+ VJP scoring, 11's tracking, VGP 1 dogs, 10+ coats all.

And history producing accessible stock to handlers new and old for field and family. Our best to you all.

SOUTHEAST HUNTER CHAPTER

Vom Freda Haus Wishes Good Luck To All Handlers.

We strive for easily trained,
fun to hunt and easy to love pups.

Good Luck To All The
2023 Armbruster Handlers

Are you looking for that one-of-a-kind conversation piece that both family and guests will be talking about for weeks to come? Look no further. We have personalized and custom designed artwork made from 100% authentic Kentucky Whiskey and Bourbon Oak Barrels that will be the talk of the town.

Our artist, Michael Lover — a veteran — will work with you to design the perfect piece. You will get to see and approve the design until you are completely satisfied. Then we use a laser engraver to burn the final creation into the whiskey/bourbon oak barrel wood or cork material, assemble the piece and your final artwork is complete.

A LITTLE BIT ABOUT THE ARTIST:

I am a West Point Grad, Class of 1988 (Football Defensive Tackle), Army Combat Veteran, Father of two and Grandfather of three and counting! I can customize any of these products for graduations, weddings, reunions and all other special events. We can work together and create the perfect design.

Vom Brewhaus Kennel

At Vom Brewhaus Kennel we pride ourselves in producing & training exceptional well-balanced Deutsch Drahthaars.

We specialize in training the Deutsch Drahthaar for the German Testing System VJP, HZP and VGP.

Our goal is to breed quality hunting dogs that are easy to train, well-mannered with the family but have a strong desire to hunt.

Training & Breeding Top Quality Versatile Hunting Dogs

We are located in the Heart of Wisconsin with ideal training grounds of water, woods and multiple fields offering a variety of cover just outside our back door.

Contact us to be placed on our waiting list for your next puppy or to check availability to place your current gun dog in our training program.

The reward of a thing
WELL DONE
is to have done it.

Ralph Waldo Emerson

To all the Armbruster handlers: good luck and congratulations! To have made it here to the Armbruster is a testament to your perseverance. Possessing the courage to enter and complete the test is itself a success.
